"Your Friend Fur Life"

1. My life is likely to last 10-15 years. Any separation from you will be very painful.
2. Give me time to understand what you want of me.
3. Place your trust in me-it is crucial for my well-being.
4. Don't be angry with me for long. You have your work, your friends, your entertainment. I have only you!

5. Talk to me. Even if I don't understand your words, I understand your voice when it's speaking to me.
6. Be aware that however you treat me, I'll NEVER forget it.
7. Before you scold me for being lazy or uncooperative, ask yourself if something might be bothering me.
8. Take care of me when I get old. You too, will grow old.

9. Go with me on difficult journeys. Never say "I can't bear to watch it," or "Let it happen on my absence."

**Everything is easier for ME if you
are there. Remember, I love you.**
